Christ the Lord is risen today alleluia
Sons of men and angels say alleluia
Raise your joys and triumphs high alleluia

Lives again our glorious King alleluia
Where O death is now thy sting alleluia
Once he died our souls to save alleluia
Where's thy victory boasting grave alleluia

Soar we now where Christ has led alleluia
Following our exalted Head alleluia
Made like Him like Him we rise alleluia
Ours the cross the grave the skies alleluia

Psalm 46 (Lord Of Hosts)

O come behold the works of God
The nations at His feet
He breaks the bow and bends the spear
And tells the wars to cease
O Mighty One of Israel You are on our side
We walk by faith
In God who burns the chariots with fire

Lord of hosts You're with us with us in the fire
With us as a Shelter
With us in the storm
You will lead us
Through the fiercest battle
Oh where else would we go
But with the Lord of hosts

O God of Jacob fierce and great
You lift Your voice to speak
The earth it bows
And all the mountains move into the sea
O Lord You know the hearts of men
And still You let them live
O God who makes the mountains melt
Come wrestle us and win
O God who makes the mountains melt
Come wrestle us and win

Lord of hosts You're with us with us in the fire
With us as a Shelter
With us in the storm

You will lead us
Through the fiercest battle
Oh where else would we go
But with the Lord of hosts

Though oceans roar You are the Lord of all
The One who calms the wind and waves
And makes my heart be still
Though the earth gives way
The mountains move into the sea
The nations rage
I know my God is in control

Though oceans roar You are the Lord of all
The One who calms the wind and waves
And makes my heart be still
Though the earth gives way
The mountains move into the sea
The nations rage
I know my God is in control

Lord of hosts You're with us with us in the fire
With us as a Shelter
With us in the storm
You will lead us
Through the fiercest battle
Oh where else would we go
But with the Lord of hosts

Lord of hosts You're with us with us in the fire
With us as a Shelter
With us in the storm
You will lead us
Through the fiercest battle
Oh where else would we go
But with the Lord of hosts

O Sacred Head Now Wounded

O sacred Head now wounded
With grief and shame weighed down
Now scornfully surrounded
With thorns Thine only crown
O sacred Head what glory
What bliss till now was Thine
Yet tho' despised and gory
I joy to call Thee mine

What Thou my Lord hast suffered
Was all for sinners' gain
Mine mine was the transgression
But Thine the deadly pain
Lo here I fall my Savior
'Tis I deserve Thy place
Look on me with Thy favor
Vouchsafe to me Thy grace

What language shall I borrow
To thank Thee dearest friend
For this Thy dying sorrow
Thy pity without end
O make me Thine forever
And should I fainting be
Lord let me never never
Outlive my love to Thee

For the Son of Thy love
For Jesus who died

Who has borne all our sins
And has cleansed every stain

May each soul be rekindled
