Dominic Fung

With the lead and guidance of the Lord, I have completed 10 years of service on the Elders Board. My journey with Fraser Lands Church began upon my relocation to Vancouver from Winnipeg in 1989. At that time it was Knight Street Alliance Church and later joining Fraser Lands Church when it first started in 1991. My spiritual life has grown alongside with the ministries here.

In recent years, my focus has been on Sunday School teaching and Photography Group outreach. Prior to this, I served in Evangelism Department and Alpha Courses for many years.

There is nothing better than serving our Lord together with my wife, Suzy, as we both are premarital counsellors and Sunday school teachers. In our 31 years of marriage, we have been blessed with two daughters, Constance, who is working in the medical research field and Praise, who is currently in university.

Trained and working as an electrical engineer, I see myself as an analytical person thinker who prefers listening over talking. I consider myself a team player and able to respect people who carry different opinions.

My favorite Bible verse is Psalm 1:3, "May my life learn to be like a tree which yields its fruits in season."

Ken Lo

I was baptized as a teenager in Hong Kong. After completing my schooling in England, my journey of faith began with Tenth Alliance Church / VCAC, then Fraser Lands Church. The growth of my family intertwined with that of our church. By the grace of the Lord, I am blessed with my wife, Alvina, sons, Aaron (Sarah) & Byron (Tanya) and two adorable grandchildren, Ronan and Skye.

Life is a journey that encompasses peaks and valleys, Fraser Lands Church has been my spiritual home all these years. The pastors, my mentors, had shepherded me well and provided me with abundant opportunities to serve Him. I was blessed to serve as the summer conference organizing chairman, fellowship counselor, small group & fellowship facilitator, and on the missions committee. God has given me a passion to serve through missionary work. As a health care provider, I had been sent to many missionary trips with EMAS (Education Medical Aid & Service). These trips had taken me to mission fields such as underprivileged villages, factories, and mental hospitals. The mandate was “to heal, to teach, and to serve those in need in a Christ-like

manner". I had truly felt the sufficiency of His grace and faithfulness in these fields. At home, being a facilitator of a small group and fellowship had equipped me for all these opportunities.

My life experience has exposed me to people of different nationalities and cultures. It is my vision that FLC will be a place of worship for people of all nations. I also pray that our church will have a dynamic mission ministry reaching out locally and overseas.

Hanson So

I came to Vancouver as an international student. I accepted Jesus as my Saviour in 1992, attending fellowship at Knight Street campus and worship at FLC. I served in the choir when we were still at the Champlain Heights Community Centre. About 2 years later, I was stationed at Knight Street campus until 1998 when I was invited to start a new Cantonese young adult fellowship, Enoch fellowship, at FLC campus.

I met my wife, Anna, at youth fellowship. We married at FLC. God gave us 2 children, Nathaniel and Naomi. We enjoy FLC as our home church.

Other than serving in the choir as my very first service to God, I have served in different ministries such as Evangelical Explosion ministry, fellowship committee board, teaching adult Sunday school, short term mission trips to other countries, caring department, and Alpha ministry.

I am gifted from God in faith and leadership, and with a passion to share the gospel to non-believers. My prayer for

FLC is that brothers & sisters are equipped to be ready to share the gospel any time under any circumstances, as 1 Peter 3:15 says: "Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect."

Samantha Tsui

Fraser Lands Church has been my home church since its beginning. I first attended VCAC after becoming a Christian in 1990, where I met my husband, Gabriel, at youth fellowship. Later, we joined and served together in the early days of FLC and were married here in 2009.

Over the years, I thank God for the many opportunities to serve in various ministries. I was humbled by the privilege of serving on the Elders Board from 2018 to 2024. Currently, I serve in the Cantonese Ministry as Worship Ministry deacon, small group leader, and the Evangelism Outreach Ministry - Special Events department head. I also participate in several committees, including Mission, Benevolent Fund, Community Day, and Lytton Ministry. In the past, I was blessed with opportunities to serve outside FLC through Far East Broadcasting, the Canadian Chinese Christian Winter Conference committee, Sanctuary Mental Health Ministries, and mission trips with EMAS.

Outreach and local missions have always been my passion. After the completion of FLC's building extension, God moved my heart to initiate outreach ministries such as Fun Fun

Pickleball and Pet Ministry (started in 2022) as ways to connect with unchurched people, build relationships, and share God's love through recreational engagement. That same year, I also initiated the Cantonese "Love Our Neighbours" small group, focusing on caring for those in need and serving our community.

Professionally, I thank God for allowing me to walk alongside those facing mental health struggles through my occupation in mental health rehabilitation therapy for 30 years.

I believe God has equipped me with spiritual gifts in leadership, administration, apostleship, and hospitality. My prayer for Fraser Lands is that it will continue to "be a loving presence in our neighbourhoods" and a place where people from all walks of life—even the underprivileged—feel welcome and call it their spiritual home.
