

## **For March 22, 2026 Church Service**

We pray that God would be glorified through the Milliken Presbyterian Church. Pray that we would be salt and light in the world as He made us to be. Pray that we will be obedient and good stewards. May our sails be filled with the wind of the Holy Spirit and our hearts filled with His word. May we be His hands and feet.

### **Praise**

*Kaliaunna gave praise that she and her kids had a good Spring Break. They were able to do a lot. It came at just the right time for her when she was feeling stressed and overwhelmed with her studies. Please keep her sustained and persevering in the days ahead as mom and student. Bless this family.*

Kylie ask for praise and prayer that Kristopher was being baptized yesterday. May he be proclaiming the work God is doing in his life and may it be evident to all. We will keep him in prayer and we pray for their situation.

### **Prayers**

*Donice Packwood would like us to pray for their youngest daughter, Kaylee, who is preparing to graduate this year. Pray for comfort, guidance, and faith. We will pray, Donice.*

Jacob would like travel mercies for he and his mom as they prepare to travel down to the Gaylord for the state FBLA conference that will be coming up.

*Becky and Sabrina have an appointment with the doctor this morning at 11 AM to go over test results. Please hold them in prayer.*

Emerald asks prayers for her dad, Mike, who had a stroke.

*Lori asks prayer for their friend Steve who has a medical situation that is keeping him away from his work. We pray for his healing and strength.*

Heather Farquahar reports that testing on her mom revealed considerable neuropathy. This was caused by her other medical conditions, and the doctors say there is permanent nerve damage. We pray for a miracle of healing and guardian angels to help keep her safe. It is so dangerous to try to get around with no normal feeling in your feet. Bless her and keep her.

*Kellyn asks continued prayer for Maureen and her grandson. She took him to Children's Hospital for an EEG to see if he is having seizures. Those test results showed he is not. Now pray that they get the answers they need.*

Bill and Becky Selby ask prayers for their 18 year old Alaskan grandson, Ireland, who is going on a medical mission trip to Nairobi, Kenya on Wednesday. He will return on April 4<sup>th</sup>. Pray for safety, protection, wisdom and guidance for him and the team he is going with from his church. Pray they will be able to serve and glorify You well in this time and place.

*Donna Herman asks prayer for the granddaughter of a friend. Her name is Skylar. She was in a car accident and has a traumatic brain injury.*

Peggy Wakeman asks that we continue to pray for wisdom and discernment for all the world leaders.

*Kristin reminded us to keep our region as well as others held in prayer as wild fires rage during the unprecedented heat and fire danger season we are in. Pray for all the firefighters, first responders, volunteers, friends and neighbors who are fighting for these lands and lives. Please have mercy, Lord, and send us moisture.*

Debbie Hodson asks continued prayers for her friend, Laura, as she continues her chemotherapy for breast cancer. Give her strength and courage to fight each day. May it be effective and may Your healing hands work through it. She prays also for her friend, Mary Alice, who had surgery this week to obtain clean margins around her cancer.

*Shari asks for prayer for Gabe, the son of her co-worker, Sheri, who has kidney disease. He is having a port put in this week for dialysis. He got a couple calls with possible kidney donors, but they didn't work. Pray for a perfect match soon.*

## **Long Term Prayers**

It's easy if you have a chronic or long-term illness or circumstance you are battling to feel forgotten. We need to be faithful in continuing to hold these needs before God.

*We keep Kylie in our continued prayers as she asks prayer support for her whole situation. May she seek your will and be obedient to that, knowing she is Your beloved daughter.*

Please continue prayers for Becky Selby, we pray for complete healing for her.

*Please continue prayers for Millie. Prayers for the doctors and nurses treating her and prayers for her family, Amanda, Roy, EvaLee, LeeAnn and Dennis.*

Please text me updates on any prayer requests we've had and I will be glad to pass them on. If I have not listed something that you would like us to keep on long term requests, just let me know. Becky S. 970-405-2506.

## **Prayers for those who face challenges every day**

*Continue to be mindful of those in our church family who are in care centers. Lift them up in prayer whenever you think of them or take time for a visit.*

Donna Shable is at Grace Point and Lois Ann Onorato and Barry Cook are at The Bridge Assisted Living, both in Greeley.
