Understanding Your Identity in Christ

Main Idea: Your identity is not something you create—it's something God gives.

Key Scripture: 2 Corinthians 5:17

Core Truths

- Identity is found in Christ, not yourself
- You are not your past — failure is an event, not identity
- God defines your worth, not performance
- You are made new in Christ
- You are not of this world — your identity is eternal
- God calls you by name (Isaiah 43:1)

Notes

Reflection Questions

- What have I been using to define myself?
- Do I believe I am made new in Christ?
- What step can I take this week?

Prayer

God, help me see myself the way You see me. Remind me I am made new and secure in You. Amen.
