

The Great Triduum

The Holy Three Days of Easter are traditionally celebrated as a single extended service of worship. Beginning with the institution of the Lord's Supper on Maundy Thursday there is no dismissal until Easter Sunday, for the Church keeps constant vigil until the Lord rises from the dead. So, although we will gather at different times and places it is understood that these events form a single act of worship over the three most holy days in the Christian Year.

Blessed is He who comes in the Name of the LORD!
