SCC YOUTH NOTES

Our Youth Group focuses on developing a Biblical Worldview teaching students to use the Bible as the lens in which they see the world. We dedicate a portion of the lesson towards learning about prayer and how to enhance their communication with God. Each group begins with a game allowing the students time to fellowship together, and once a month our youth band leads us in worship together.

CHILDREN'S MINISTRY NEWS

While we only have classes during the 10:45 service, we offer nursery for both services. Our Children's Ministry uses a curriculum from D6 ministries. The goal is to help lay a foundation that parents can build upon as the Spiritual Leaders of their children. We also have a small portion of our church services dedicated to introducing the kids to that day's lesson.

“For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him.”

~ John 3:17
