TODAY'S TOPIC:  
**JESUS IS OUR LIVING HOPE**

---

God is like a loving parent who takes care of us. He is happy and blessed because He is so good to us. Because God is so kind and loving, He gave us a new life full of hope through Jesus. Just like how a seed grows into a beautiful flower, when we believe in Jesus, we are given a fresh start and a bright future. Jesus coming back to life after dying on the cross shows us that we can have new beginnings too. God's love for us is so big that He wants us to have a happy and hopeful life with Him forever.

How did the bee brush its hair?

God has shown us great mercy by giving us new life and a living hope through Jesus' resurrection. We can live out this verse by being thankful to God for His mercy and the hope we have in Jesus. We can remember this hope when we face challenges at home, school, or with friends, knowing that Jesus gives us hope and strength. We should share this hope with others by showing kindness, love, and forgiveness, just as Jesus has shown to us.
