Redemption and new life is not something we work toward. It is something God

Ezekiel 37:14

Redemption is not only for us. We are sent to help others

John 11:44b

Reflection Questions:

- † Where in my life do I most need God's breath of renewal right now?
- † What "dry bones" situation have I given up on that God may not have given up on?
- † Who is someone I can help unbind so that new life can emerge?

Daily Prayer

God of resurrection and new life, breathe Your Spirit into the dry places of my heart. Where I have lost hope, restore my trust. Where I have given up, renew my courage. Help me to be someone who helps others find their way to new life. In the name of the One who calls us forward, Jesus Christ. Amen.
