## Invite A Guest to Easter!

◆ This Easter, don't just attend – invite. Easter is a wonderful opportunity to invite those in your life who you know need Christ. Take a moment, grab a flyer, and reach out with intention this week. Chances are, you already have someone in mind to invite. It could be a coworker, a friend, a loved one, a neighbor, or a random person in the grocery store. We all know someone who might need the encouragement that only our Lord can bring.

◆ A simple invitation – a text, a conversation, or "come sit with me," can open the door for someone to experience hope, peace, and the warmth of God's presence. You never know how much someone may need that light during this season of life.

◆ Be the light. Share the love. Extend the invitation this week.

**What does God require in the fourth and fifth commandments?**

Fourth, that on the Sabbath day we spend time in public and private worship of God, rest from routine employment, serve the Lord and others, and so anticipate the eternal Sabbath. Fifth, that we love and honor our father and our mother, submitting to their godly discipline and direction.
