

MISSIONARY PRAYER REQUESTS AND UPDATES – MARCH 2026

Updates can also be viewed on our church's website, hazelgreenbaptist.com under ministries>missions>overview and also >missionary prayer requests (If a password is needed due to some being in a restricted country, it is Faith)

ABRAMOV, MARK & SCHLOMIT, CHOSEN PEOPLE MINISTRIES – Jewish people are getting saved not only in Israel, but also in Massachusetts, New York City and Japan.

CARPENTERS, TIM & STARR – March 1st marked 25 years that our family has served full time as Representatives/Director of Bearing Precious Seed. Thank you for your support over the years. Pray for a shipping container containing 40,000 lbs of scriptures on its way to Cameroon, Africa.

McTAGUES, CORY & APRIL, TORONTO – A woman raised in a Communist country where your name would be put on a govt list if you were seen going into a church started attending our church and has been saved, baptized, & in a discipleship class. We put on our 1st Christmas program with a sermon in Dec and had a record attendance. 2025 saw a record attendance of 55 with 90 visitors, 7 saved and 7 baptized, 14 taking bible discipleship classes with 4 completing them. 50% of the population here are immigrants. There is a refugee shelter near our church which we have started ministering to by bringing them meals, etc. We were able to present the gospel to 20 people on our last visit. We got new 2-yr contracts for both the office space & the church auditorium. We've begun live-streaming our services and have greatly increased our following. We've also included a QR code at the bottom of our newsletters so you can see a video of our ministry. (I put the letters in the slots on the missionary board by the Pastor's study. They are there for anyone to read)

RAYS, JAMES & MARY, BIMBI 100+ NATIONS – Mary was able to lead a woman who was helping us with a business transaction to the Lord the end of Feb. We are in the process of planning our next shipment of New Testaments to England. Millions of Muslims and Hindus who hold British passports have migrated there. England used to be considered one of the most Christian nations in the world. That is not true anymore.
