

## **For March 29, 2026 Church Service**

We pray that God would be glorified through the Milliken Presbyterian Church. Pray that we would be salt and light in the world as He made us to be. Pray that we will be obedient and good stewards. May our sails be filled with the wind of the Holy Spirit and our hearts filled with His word. May we be His hands and feet.

### **Praise**

*Becky Hook gave praise for the Church family as they have prayed their family through all the challenges they've had lately.*

*Sabrina's test results were good and they have a treatment plan that should help the symptoms.*

*Sarah has been moved to a better place where they can visit more, she can leave for visits and get a job. It gives her much more hope. Keep her in prayer.*

Lori Vandaveer gave praise that their friend we prayed for last week, Steve, is now back to work.

*Donna Herman gave praise for miracles. We prayed for Skylar last week who sustained a traumatic brain injury in a car accident last week. Doctors were amazed that she was able to be released from the hospital last Sunday night.*

Praise that Brayden's Stillwell's appendectomy went well. He is still sore, but up and around. He was at the Egg Hunt on Saturday.

### **Prayers**

*Cara Sullivan texted in a prayer request for a good friend who is like a little sister to her. Her family was involved in a tragic car accident that involved her husband and 6 sons. They lost their 11 year old and their 7 year old is not expected to make it.*

*There are no words. We pray that God's presence will strengthen them and comfort them through all those around them in the days ahead. "When someone is hurting or broken-hearted, the Eternal moves in close and revives him in his pain." Ps 34:7 The Voice version*

Debbie Hutton asks prayers for a former student, Cassidy, who has a form of muscular dystrophy that is usually fatal. She lost 2 siblings to it. She is 30 years old and faces the decision to undergo a major risky surgery in the hopes of ridding her body of this disease. We are praying for her decision and for a miracle.

*Please continue to pray for Debbie as she is not feeling well again. This is a hard struggle. Please pray.*

We pray for Elaine and Elease Brady over on the western slope. We pray for Easter blessings upon them. Elease let us know that she was diagnosed on Friday with squamous cell carcinoma on her tongue. She is having surgery soon and prays that not much will need to be removed.

Matt and Kellyn's friend Maureen was able to attend the Easter Egg Hunt on Saturday. She expressed gratitude for all the support she got there. Please keep her in prayer as she cares for 3 young grandchildren she's been given custody of. They all have special challenges. Pray that she'll get unemployment that she has filed for.

*Please continue to pray for Kylie's friend, Kyla's, family. Her daughter, Paisley is having a very hard time mourning her death.*

Kylie asks for your prayers as many demands have been placed on her by Kristopher's family. Help her to establish healthy boundaries and have the strength to stick with them. We continue to pray for their whole situation.

She is very weak and mostly homebound right now. Her lifelong friend, Angie, from Texas is dealing with many financial setbacks after the death of her husband two weeks ago. Pray for wisdom.*

Brad Gilmer's mom, Paulette, had gall bladder surgery last week. It went well. Pray for her as she recovers and for the family as they care for her.

*Please continue prayers for our grandson, Ireland. He is in Kenya right now on a medical mission trip with his Church. I thank God for all the ways he's working in his life through this experience. May God bless all those they encounter. He will make the long flights home this Saturday. Please pray for his safety and open heartedness to what God is doing. Thank you.*

### **Long Term Prayers**

It's easy if you have a chronic or long-term illness or circumstance you are battling to feel forgotten. We need to be faithful in continuing to hold these needs before God.

*We keep Kylie in our continued prayers as she asks prayer support for her whole situation. May she seek your will and be obedient to that, knowing she is Your beloved daughter.*

Please continue prayers for Becky Selby, we pray for complete healing for her.

*Please continue prayers for Millie. Prayers for the doctors and nurses treating her and prayers for her family, Amanda, Roy, EvaLee, LeeAnn and Dennis.*

Please text me updates on any prayer requests we've had and I will be glad to pass them on. If I have not listed something that you would like us to keep on long term requests, just let me know. Becky S. 970-405-2506.
