29 Praise our unchanging God. His character, power, and perfection remain constant even in the midst of our changing world. Despite our mis-steps and failures, His love never fails.	30 In the past five years, 68 churches have partnered with CEF in one way or another. Pray God will increase that number by 20 this year.	31 Petition the Father on behalf of the children at Punxsy Easter PC today. Pray teachers will be empowered to proclaim Jesus as never before & that the Holy Spirit would move hearts to Christ.	1 Pray the Easter Party at CG Johnson Elem in Reynoldsville will jumpstart the community to hold an after-school GNC in the fall. Pray a local church will adopt this school for ongoing ministry.	2 Ask God to create in the hearts of former CYIAers a desire to use their training for continued ministry. Pray for an outpouring of blessing & abundant fruit when they choose obedience.	3 Pray for Alexander as he returns home from CMI today. Pray he will be invigorated and excited to put to use all he has gleaned from his ministry strategy course.	4 Thank our Lord for new banquet committee members to carry the burden of planning & implementation. Ask God for wisdom, creativity, & excitement as they serve.
5 Praise God for the resurrection of Jesus Christ and the completion of His work here on earth as we celebrate Easter!	6 Thank God for every donor, prayer partner, and supporter. The reach and success of our ministry hinges upon God's people being obedient to His call. Pray their hearts will be encouraged.	7 God has blessed us with a wonderful GNC™ year. Pray that he would bless the last day of club as we celebrate Easter with the children in attendance.	8 Pray for the Always True Treasure Hunt taking place at Oklahoma Elementary School. Pray that many children will attend and we may establish a presence at this school.	9 Thank God for the 2 summer missionaries He has provided so far! Pray that He will use them to do great ministry this coming summer. Ask Him to call others to the ministry as well.	10 Pray that God would bless the time that we have meeting at small group today, that our time would be productive and would lead to more open doors.	11 Continue to pray that God would provide us with another full-time ministry worker to expand and maintain the ministry, especially in Clearfield and Elk Counties.
12 Acknowledge the sovereign Lord's guidance and authority to direct this ministry as He sees fit. Pray we will readily respond to His ultimate leadership in all things.	13 Pray that God would open opportunities for us to meet with churches and pastors to build our partnerships in our three counties.	14 Pray that God would give our volunteers and workers a better understanding of the lives of children and how they can be impacted by different life events.	15 Pray for the last day of GNC™ at Solid Rock Church, that there will be an everlasting impact on the children that are in attendance.	16 Pray for the CYIA™ Orientation. Pray that relationships will be made and that God will use this time to start building up the team before the start of the summer.	17 Because prayer brings us in line with God's heart & He works to accomplish His purposes through the prayers of His people, ask Him to expand our intercessory prayer base.	18 Pray for the CYIA™ Pre-training Weekend, that God would use it to build relationships amongst the chapters and prepare them for the upcoming summer ministry.
19 Praise God for His providence every week at GNC™. He provided the children and the volunteers for a successful ministry year!	20 As God begins to rebuild our local committee, pray churches from across a broad geographic area will embrace the opportunity & send individuals to serve.	21 Thank God for our wonderful in-office workers. They do so much behind the scenes work that goes unrecognized. Pray that they would feel loved and appreciated for all their hard work.	22 Pray for the children in the Roman Catholic community. Pray that God would open up opportunities for them to attend CEF ministries to hear a clear presentation of the Gospel and be able to respond.	23 Pray that God would allow us to prepare for the Pre-Training Weekend with little issue, that He would give us the time management we need to have everything ready when we need it.	24 Pray many churches & individuals will partner with CEF to proclaim Christ through the 2026 World Cup Soccer outreach. Ask God to give us new venues for mini-camps.	25 Pray against enemy attacks that would hinder students and instructors at this weekend's training. Ask for an expanded vision and a heart to honor God with our best effort.
26 Rest in the Lord's unwavering love. He has called you by name and inscribed it on the palms of His hands. He is your Father and you are His cherished child.	27 Pray for the 15,000 children living in Clearfield County. Ask God to lead them somewhere or to someone who can present them with the Gospel & that they would receive it.	28 The Kingdom servants are leaders. Pray each worker will prioritize genuine relationships with Christ, each other, and those we minister to as the catalyst behind the "tasks."	29 Pray for the children in the community that have experienced trauma. Pray that they would be ministered to and would feel seen and heard by the teachers and volunteers in club settings.	30 Pray that CYIA The would be diligent in completing pre-training assignments, evaluations, and scripture memory work in a timely manner.	5/1 Pray that God would move in the hearts of volunteers, that they would be driven to learn more about teaching at the Truth Seeker.	5/2 Pray for Alexander and Rachel as they prepare to welcome their newborn baby boy on May 6th.
