CONTACT INFORMATION:

When reserving the church for your event, it is necessary to contact W/ELCA first.

This will ensure that it is not previously booked as well as answer any questions that you may have.

320-384-0096

Zionlutheranclloverdale@gmail.com

Note that email is checked daily and forwarded to the council/WELCA as needed for response.

We invite users to support the ongoing mission of Zion Cloverdale through voluntary contributions. Your donations for facility usage help sustain our ability to serve the community.

SANCTUARY USE

If your event is in the sanctuary, WELCA and the Church Council will need to approve your use of the sanctuary and will then appoint a 'church host' for your event who will:

Work the sound system and make sure candles and paraments are appropriate.

Facilitate any other building use needs as determined by the event.

Provide guidance as needed depending on your event.

We ask that you please leave the space as clean as you find it.

If you are leaving flowers for church use in honor of your event—please leave them in the sanctuary—the Altar Guild will take care of them for you.

Pastoral supply and music/musician fees are your responsibility. You will need to make those arrangements on your own. Funeral Service bulletins will be printed only if needed for funeral service order.

*****Fees do not include personal printing for your event, such as memorial or obituary OR wedding service bulletins.*

You are responsible for your own printing of these items.

USE OF FELLOWSHIP HALL AND KITCHEN (When not purchasing meal by WELCA)

If you are using these areas, please be aware that you need to provide your own beverages as well as any paper products.

You are welcome to use the glass dishes/ cooking utensils.

Please be sure to leave used dish clothes in the basket in the kitchen near the sink.

Please pick up the area and return chairs and tables to their places. Please be sure to bag up garbage and place it outside in the trashbin.

There is a recycling bin by the back door near the utility sink.
