happy
Easter

The text 'happy Easter' is written in a gold, glittery, cursive font. The word 'happy' is on the top line and 'Easter' is on the bottom line. Two decorated Easter eggs are integrated into the design: one is positioned between the 'p' and 'y' of 'happy', and the other is to the right of the 'y' of 'happy' and above the 'E' of 'Easter'. The eggs have different patterns: one with diagonal stripes and one with wavy lines.
