

JOIN EARTH DAY 2026

On April 22nd, or on April 25-26 Weekend

Environmental progress does not happen in silence. It happens when God's children show up. It is built through every day action - from communities protecting ecosystems, to innovators advancing solutions, to churches advocating for justice and creation. Every action counts. Every voice matters.

Join the Party for the Planet on April 25th (outside Surrey City Hall) or find out about local activities. We encourage you to take personal responsibility for stewardship, turning awareness into action. Join a group who plants trees in your neighborhood, who builds trails, or a beach cleanup crew.

See <https://fortheloveofcreation.ca> for a host of useful resources.

Have you considered a monthly action, like reducing plastic use, carpooling, going paperless, or mending your clothing?

*"The earth is the Lord's, and everything in it,
the world, and all who live in it."*

Psalm 24:1
