

Missionary Corner

Hello NPMB Church Family!!

We're encouraged by the growth of INSPIRE, Options' education and prevention program. Laura is mentoring young women, leading a girls group, and developing our teen volunteer program, while Sian is teaching sexual and relationship health and facilitating prenatal classes in both French and English.

We're also excited to welcome Rosa, who is joining Sarah to support young families who have chosen to parent. Her warmth is already making a difference. As she is new to Canada from Peru, she is still building a network of people she can personally invite to partner with her in ministry – would you consider being part of that support?

A key focus for Marcy has been articulating the five-year vision and financial needs of five pregnancy care organizations in Quebec, seeking high-capacity partners to help sustain and advance the work God is leading. While our home base is Montreal Youth Unlimited, we have been called to serve in pregnancy care in **Quebec**, where several organizations are in significant need of mission-building support. Though there's still a long way to go, God is providing. After a significant shortfall in 2025, Abriter welcomed a business partner committed to \$15,000 quarterly, bringing much-needed partial relief to staffing and, in turn, care to young moms and children.

For Calvin's part, in his new role as maintenance lead for the Châteauguay ministry, he has quickly become the team's favorite go-to person. Recent projects include expanding the Options programming space and repairing facilities at Abriter. The team is grateful for someone to bring their many maintenance requests to, though that also means he receives a steady stream of inquiries "if it's their turn yet". He jokes (but really it's hardly a joke) that he is booking into 2027

Prayer Requests

- Provision for the hoped for upcoming kitchen renovation that will benefit Station 7, Options, and Abriter (\$30,000 needed to start and finish the project)
 - Funding for ministry growth and staff partnership
- Young people and families to become aware of our services and seek support, so they can encounter the loving kindness of Jesus and learn about His good plans for them

Thank you for standing with us.
Your partnership makes all the difference!

With gratitude,
Kalvin & Marcy Amendt
