Harvesting in the Fields of Honduras

“To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins...”
Acts 26:18

February & March, 2026

Dear Co-Laborers in Christ,

Greetings in the precious name of our Lord Jesus Christ.

The Lord has blessed these past two months with wonderful weather. We have never experienced such mild temperatures for days and weeks on end. It truly has been a refreshing break from the heat and humidity. The down side has been almost constant rain, but that has been a very small price to pay.

Due to the rain, all our construction plans have been put on hold. Lord willing, we will be able to continue next month.

A few months ago a new family moved into the neighborhood. They have three children that love to ride their family four wheeler around and around the block. On one such trip, they stopped to visit with us. We were able to share God’s love with them. All three prayed to place their faith in Christ for salvation.

One Saturday on visitation we unexpectedly ran across a neighbor visiting with his adult daughter. His daughter had never wanted to give God a chance. We had a wonderful talk with her and were able to share the plan of salvation. She understood that Jesus is the only way to heaven and accepted Him as her Savior.

The sister of one of our church ladies has been struggling with thoughts of suicide, and has actually tried to take her life a few times. We have been praying much for her. Recently she has started attending Sunday school along with her little girl. She is still very shy and secluded. We are praying she will be able to comprehend the great love God has for her.

Last month, we hosted a Honduran couple that are raising funds to go to a Muslim country in Africa as missionaries. Hondurans can enter several countries that are “off limits” to Americans. We are excited to see Hondurans going out as missionaries!

We want to thank you for your faithful support. We can only say that God is good and that his mercy is everlasting.

Sincerely,

Napoleon & Esther Flores
