## A Note from the Pastor

By: Jammie Vance

I'm really excited about spending the next several weeks together talking about the Holy Spirit. I believe the Holy Spirit is the Key to being every thing God wants us to be as individual Christians as well as a corporate body of believers. Even though we are going to talk about the Holy Spirit for the next eight weeks, we will only scratch the surface. There is so much that we won't be able to address. At the same time I want to be able to answer all your questions. I have already received questions regarding the Holy Spirit that I will answer. If you have questions that you need answered, let me know. We are going to discuss things like the baptism of the Holy Spirit, indwelling of the Holy Spirit, the filling of the Holy Spirit, and will even see what the Bible has to say about the gift of tongues.

I believe that God is going to use the next several weeks to revolutionize His people and His Church. Come prayed up and expecting a move of God. Come with pen in hand. Come asking the Holy Spirit to move and have His way.

Pastor Jammie

I hope that you will consider joining us as we dive deeper into the Bible. Also, for our 3rd through 5th graders, camp will be here before we know it!

# A Note from the Youth Director

By: Noel Moutardier

So glad January was just a free trial month of 2026! All jokes aside our God is good and is still in control regardless of weather disruptions and trials we face. We will pick up studying the Lord's Supper and tithing this month, with some fun in between of course. As always I look forward to having breakfast with the youth on February 8th, at 10 a.m. in the basement before service. Also, we are aiming to have a youth movie day after the worship service on February 22nd. Blessings, Noel
