A Note from the Pastor

By: Jammie Vance

In 2025 we saw the Lord do some great things with First Baptist Church. We experienced nearly a 30% increase in weekly attendance, several additions, and 12 Baptisms. There were also other significant spiritual transformations that people experienced throughout 2025. I am constantly hearing stories about people reading their Bible, taking sermon notes, witnessing, inviting, and tithing (giving 10%) for the first time. I am also thrilled about several people who have stepped up to the plate and started serving the Lord through His Church. Thank you so much!

Now, I look forward with anticipation to what the Lord is going to do with and through us in 2026. I believe we will see a significant increase in weekly attendance, several additions and many people trust Christ for salvation. I'm praying that we will see twice as many baptisms this year. I want to challenge you to take the next step in your faith journey in 2026. What is your next step? Is it regular attendance, being saved, baptism, becoming a church member, joining a small group, serving, or participating in people's life transformation by giving financially. Identify Your next step and start 2026 off moving in the right direction.

I want to thank everyone who made our Cookies and Hot Cocoa Family night a success! We had a wonderful time of fellowship while decorating cookies and focusing on the true meaning of Christmas - Jesus! As we welcome 2026, I am excited to welcome you to join us for service. At First Baptist, your children have multiple ways to learn about Jesus. We offer a children's Sunday School class that meets every Sunday at 10 AM and a children's church class during the worship service at 11 AM on Sundays. During the week, children Pre-K to 5th grade can join us for dinner and Bible study from 6 PM to 7:30 PM. I can't wait to see you and your family this year at church! This new year also comes with exciting news! Our church now has a website in addition to our Facebook page! Our website, fbclj.com, is the place to stay connected to our church. The website houses church events, church services, recent sermons, ways to contact our church, and so much more!
