January was not a very good month at Grace. Most everybody had the flu. Inez Chancery spent three weeks in the hospital with flu, pneumonia, and congestive heart failure. She is doing much better. Our pastor, Brother Leonard Knight, visited her in the hospital then came down with the flu himself. One Sunday we had to cancel services because there was no one to attend. David Green spent most of the month in the hospital or in rehab. Please remember David in your prayers because he is still not doing well.

Needless to say we did not have fellowship supper in January.

Please pray for all of us as we strive to work together to spread God's Word.

**DIRECTOR OF MISSIONS: William Chancery (850) 572-2161**

The BMA of Florida had a wonderful Bible conference at the Russian church in Orlando. We had many Russians attended some English speaking people Arabic speaking people were in attendance and we fellowship together with a love of Jesus Christ in Jesus there is no nationality. We're all born again believers worshiping Jesus Christ and learning how to spread Jesus to others. We need to always remember no matter where I'm at. I am a representative of Jesus Christ. Do I show others the way to Jesus or do I turn them away from Jesus praise God for Jesus Christ and for the Holy Spirit that guide us thank you your mission director for the BMA of Florida William Chancery
