

## **Questions for Further Discussion:**

(Great for Life Groups, family devotionals, or with a friend)

1. What is the significance of the resurrection on how you view life and death? How does the removal of the sting of death change the way you invest your time, energy, finances, etc.?
2. How did Jesus saying Mary's name change everything for her? Do you know His voice? What does it mean that he sees and knows you?
3. How do we as believers try to balance "clinging to Jesus" and "going to tell"? How can we do both well?
4. How did the death and resurrection of Jesus bring about the full realization of both peace (shalom) and forgiveness?
5. What are the other impacts of the resurrection of Jesus on your life? Why is belief in the resurrection necessary for true faith in Jesus?
