

THE WAY

A JOURNEY THROUGH ACTS

Week 1 - Acts 1:1-11

Read Acts 1:1-11 as a group. What words or phrases stood out to you?

In a world filled with conflicting messages, how can you personally be a faithful witness for Christ?

What does Jesus mean when he states that 'the gates of Hades will not overcome it' in Matthew 16:18?

How can we effectively communicate the message of Jesus in a culture that often seems hostile to Christian values?

How does the empowerment of the Holy Spirit define the identity of the church according to Acts 1:8? What role does the Holy Spirit play in the ministry of the church according to Acts?

How can being 'salt and light' in today's culture manifest in practical ways in your life?

How can understanding your identity as a witness for Christ change your daily interactions with others?

Take time to pray for one another.
