Week 1 (6/9-6/13) - Blowing off STEAM.

This week is all about exploring the world of STEAM—Science, Technology, Engineering, Art, and Math! Get ready to build, experiment, and create like never before. From designing our own inventions to solving fun challenges, We will use our imagination to think like a scientist, engineer, and artist all in one!

Week 2 (6/16-6/20) - Who's in our community?

Students will go on an exciting adventure to explore Community Helpers in Tucson! We'll have so much fun discovering the amazing people who help our city run smoothly.

Week 3 (6/23- 6/27) - Dinosaur Adventures!

Students will have a roaring good time with Dinosaur activities, games and crafts. We will explore and learn all about the creatures that roamed the earth long ago.

Week 4 (6/30-7/3) - Happy Birthday America!!

This week we will be celebrating the USA and learning through exciting, hands-on activities, and songs that make history, symbols, and traditions come to life!

Week 5 (7/7-7/11) - Let's Cook!

Let's get cooking little chefs! Get ready to mix, pour, stir, and sprinkle your way to yummy creations!

Week 6 (7/14-7/18)- Color me Happy!!

Grab your smocks, little artists—let's create some magic! We'll paint, squish clay, stick stuff together, and make big, bright masterpieces. Students will explore shapes, colors, and textures while letting your imagination run wild.
