## Meet the Tytoo Family

Dear Tytoo supporter: Please be introduced to Watson Normil. He is seven years old and is from our neighboring village of Minoterie. His mom recently passed away from sickness as she did not have money to go to the hospital on time. Watson has four siblings and lost his little brother just six months old after being sick of pneumonia for some time.

Watson is a little boy who is very nice to people. He loves to smile and play with the other kids in the Tytoo family when he came to be with us a few months ago. He is a very interesting little boy and he is cute. He came to Tytoo after the death of his mom. She used to come to Tytoo every week to get food to feed her kids. When Rosie's boutique was expanded in 2018, she was given a job there making greeting cards which were sold in the boutique. The older brother has taken over the job at Rosie's while Tytoo is taking care of Watson. This year Watson missed school however we have a worker that tutors him and next school year he will attend Simonette Community school.

Watson recently said: 'I would love to become a civil Engineer'. He used to go to church with his mom and now is going to continue attending with us here in Simonette.

Pray for Watson as he deals with losses of his loved ones and adjusts to a new way of life here at Tytoo.
