

APRIL

April is here, and we will begin practicing for our end-of-year performance, "Graduation!" We're definitely starting to feel the excitement of the school year coming to a close.

Please continue reading regularly with your child. They've learned their special sounds—now it's time to build fluency and confidence. As we approach summer, we know schedules and routines can change, so keeping up with reading time it will make a big difference.

Thank you for your continued support!

Look at what we are learning

Practice last name and make our writing neat and clean. We will reviews our cvc, cvce words to work on fluency.

Special sounds
ou as in about
ow as in cow
ing and s endings
