

**GEORGETOWN CHRISTIAN FELLOWSHIP  
CANDIDATES STANDING FOR ELECTION TO THE BOARD  
2026**

**MATT COLBECK**

I grew up in Georgetown and attended GCF when I was young; I now live in Guelph with my two children Grace and Gabe. We have been attending GCF since 2018 when I re-dedicated my life to Christ. God has healed me and moved in my life in countless ways, providing many blessings and calling on me to follow him. I believe that service is an important aspect of faith. I served on the GCF Board from 2022-2025 and have Hosted at a few Alphas over the years. I have participated in many of the discipleship programs offered at GCF and volunteer on Sundays as part of the Host team. I currently work in Mississauga selling Robotics and Manufacturing equipment. The kids and I enjoy cycling, fishing, gymnastics, baseball, and various other sports.

**BI KHALOO**

I accepted the Lord at Kennedy Road Tabernacle in 1973 and began attending GCF over 30 years ago (when it was called Halton Gospel Temple). Over those years, I served terms on the Board under three different Pastors and also led the men's ministry for many years. My wife Vicky and I worked as the church's custodial staff members for 24 years; prior to that I worked as a quality control inspector and department supervisor for a company that built air craft parts for Bombardier. I continue to be involved with Anvil, and I volunteer on Sunday mornings as part of the Host team. Vicky and I have been married for 61 years, and we have two girls and two grandsons.

## CATHY SLADE

I currently work as a customer service representative for Bell Canada. My husband John and I have been married for almost 30 years and we live in Acton; I have two adult sons and a beautiful daughter (in law). I have been a Christian for about 24 years and GCF has been my church home for about 16 years. I have previously served on GCF's Board, completing my most recent term in the spring of 2023. I have served in children's ministry, on the Cafe, as a Host at most of the Alphas that have been run at GCF since 2016, and in the sound booth on Sunday mornings. I consider it a privilege to be a member of GCF and am so glad to be able to serve my church family.
