TODAY'S TOPIC:  
THE FALL OF JERICO

---

The story about the fall of Jericho is very interesting. God commands Joshua and his army of Isrealites to march around the walls of a great fortress, Jericho. They must do nothing else, just march around one time a day for six days. Then on the seventh day they were to march around the walls of Jericho seven times then have the priests blow their horns and the people shout really, really loud.

Do you think that was enough to make the walls of Jericho fall down? If you know the story, then you know that indeed with God, it was enough. But we know it wasnt the Isrealites shouting and marching that made the walls fall down, it was God who made the walls crumble. The belief the Isrealites had that God was with them signaled God's action to make the walls fall down. What an amazing

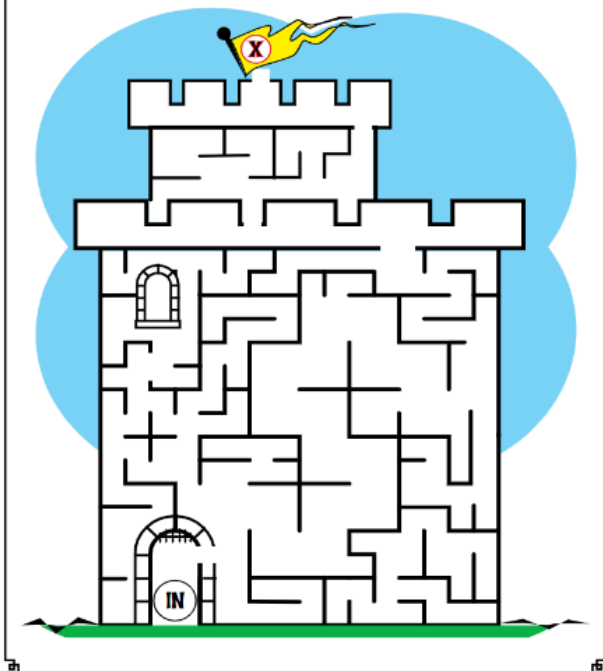

thing God had done!
