

Dear Family and Friends

I have been granted the opportunity to partner with SEND International, where I will be able to use my professional skill set as a nurse while serving at a camp in Japan.

I am especially grateful for the opportunity to serve in an international setting, where I can grow spiritually and be used by God to care for and support children as their faith grows. In my role as the camp nurse, I will help ensure the well-being of campers while also seeking to reflect Christ's love through compassion, attentiveness, and service.

Beyond my responsibilities, I am looking forward to experiencing a camp setting in another country, building relationships, and learning from both the team and the campers. I am thankful for this opportunity to combine my passion for nursing with my desire to serve God and others, and I am excited to see how He will work through this experience.

I would like to invite you to partner with me as I take this journey to Japan with SEND International, whether through prayer or financial support. Your prayers are deeply valued, as they will provide encouragement, guidance, and spiritual strength throughout this experience.

Your financial support will help cover the total costs of this trip which is \$3500 and allow me to fully focus on serving others during the camp. Every form of support, whether through prayer or giving, plays an important role in making this opportunity possible. Thank you for being part of this journey with me. I am truly grateful and look forward to sharing how God works through this experience.
