

Church Prayer List April 21, 2026

Updated Today or This Week:

Jerry Garland has now been rescheduled for PET scan on May 1. The results from that will determine future, if any, further treatments. Please continue to pray.

Nancy Knight, niece of Linda McIntyre and Jane Waits, passed away on Friday morning. A celebration of life service will be scheduled at a later time. Keep the family in your prayers.

Cooper Rampley will have surgery on Tuesday, April 21 to repair a fractured elbow. Please pray for a successful surgery and full recovery.

Gail Cantrell sends a big thank you for your thoughts and prayers! She continues chemo for 2 weeks on and 1 week off. On April 21, she will have her port replaced and then have labs and chemo on Wednesday. Pray her tumor markers have not gone up and pray that her hemoglobin does not drop anymore. If her hemoglobin drops more, she will need a blood transfusion.

Stephanie Shook will receive her final chemo treatment on April 22nd! Thank you for the prayers and continue to pray for her healing.

Steve Brower is being tested for Parkinsons. Pray for those results.

Rhonda Locklear is taking immunotherapy every 3 weeks and is doing fine with that. Her PET scan is May 22 and follow up with doctor on June 5. Her next infusion is April 28. Pray that she regains her strength and stamina and for her upcoming scan.

Mike Key had a heart cath today and he will need a valve replacement within the next 6 months. He will go home from the hospital on Tuesday. Continue to pray for his recovery.

Donald and Kim Briggs' daughter, Jessica, is recovering from spinal surgery which she had on Thursday, April 16. She is home and doing well. Pray for her recovery and healing.

Brenda Moore and **Donald Moore** are both back at home. They continue to need prayers. Pray for their daughter, **Staci Vaughn**, who is taking care of both of them at this time.

Colton O'Neal (Shelia Mills' nephew) is now scheduled for his first of six laser surgeries on April 24. Pray for his upcoming treatments and for good results from them.

Theresa Carlisle Lowe, Cami Weekley's mom, ankle is healing. Continue to remember her in your prayers.

Danny Prather, a friend of Rocky Lane, has inoperable stage four metastatic cancer. He continues taking chemo but nothing has spread and is doing well overall. Continue to pray for him.

Barry Smith, a friend of Rocky Lane, who was diagnosed with a brain tumor had surgery for what they thought was part of a tumor but it was just scar tissue. He is doing well.

Stuart Lane, Rocky Lane's nephew, has squamous cell carcinoma of the tongue which has been removed. He did not need radiation, and his margins were clear after the surgery. He is doing very well.

Kaydence Oslan, Dawn Heisler's 14-year-old granddaughter, has a brain tumor that is causing seizures. She is awaiting some tests but they are scheduling brain surgery at Scottish Rite very soon. Please pray that the tumor is not malignant and that the surgery works.

Mila Hood (Dawn Heisler's 6-month-old granddaughter) who was born with a heart murmur had her follow up appointment on April 16. Pray the murmur closes by the time she is one year old. They will continue to watch her so pray that surgery is not needed.

Ian Walker, Steve and Jamie Walker's nephew, has been diagnosed with cancer. Please pray for him.

Mark Massey's friend's daughter, **Kaitlyn**, is having test done to see if she has cancer. She has 18 nodules under one of her arms and in her breast and she is having bleeding issues. She lives in Dallas with her 2 kids.

Church Family:

Ken Clark is now at home and recovering. Continue to pray for his recovery and regained strength.

Mary George is doing well after shoulder surgery on March 31. Pray for her healing and recovery.

Bud Richardson is home but still having problems with high blood sugar, so please pray that it will go down. He will begin homecare with a nurse and PT visits soon.

Jerry Ross is having difficulty with his pulmonary fibrosis and hypertension.
