The Easter Challenge

*You believe because you can see...
Happy are those who have not seen
and yet believe. - John 20:29*

Every year it happens:
earth shakes her sleepy head,
still a bit wintered and dull,
and feels new life stirring

Every year cocoons give up their treasures,
fresh shoots push through brown leaves,
seemingly dead branches shine with green,
and singing birds find their way home

Every year we hear the stories
empty tomb, surprised grievers,
runners with news and revelation,
unexpected encounters,
conversations on the road,
tales of nets filling with fish,
and breakfast on a seashore

And every year
the dull and dead in us
meets our Easter challenge:
to be open to the unexpected,
to believe beyond our security,
to welcome God in every form,
and trust in our own greening.

Kitchen Renovations

Hi folks, the Wardens and Parish Council would like to give you an update on our planned Kitchen Renovation project. The local Health Unit has commented numerous times on the condition of our kitchen floor, we did replace some tiles a few years back and now more tiles have lifted and have cracks in them.

So it has been decided to put in a completely new floor, and as we have to remove the large fridge, sink and dishwasher, it was decided to paint the ceiling and walls at the same time.

This work will start on April 23, after St. Vincent de Paul has finished for this season, and if everything goes to plan we should be finished by April 30. The estimated cost for the flooring and painting is \$5342.15 before tax. Plus there is a cost to disconnect and reconnect appliances.

In addition, our current commercial dishwasher, which is over 25 years old, has developed a leak. We have already spent approx. \$500 to install a new door gasket, only to find the leak may be coming from the booster tank, we are not sure.

To complete the repair on the booster tank may cost us up to \$3000. Therefore it was decided to purchase a new commercial dishwasher at a cost of \$7754.00 before tax. We should have the new dishwasher delivered by the end of April or sooner. This should align nicely with the rest of the kitchen renovations.

So what does this mean all of us? There will be limited access through the kitchen, no coffee hour on Sunday April 26 or Wed April 29. Anyone needing access to the Office will have to come via the back door.

Thank you for your understanding and cooperation.

Step by Step

He does not lead me year by year
Nor even day by day.
But step by step my path unfolds;
My Lord directs my way.

Tomorrow's paths I do not know,
I only know this minute;
But He will say, "This is the way,
By faith now walk ye in it."

And I am glad that it is so.
Today's enough to bear;
And when tomorrow comes, His grace
Shall far exceed its care.

What need to worry then, or fret?
The God who gave His Son
Holds all my moments in His hand
And gives them, one by one.

Did you know that April 22 is Earth Day 2026

Our kin, the flora and fauna are calling,
 The earth, the sea, and the sky join in,
 Mother earth is hurting
 they cry
 We need you to act with us
 they call
 We need you to join us in the restoring Creation
 So that our mother may flourish once more.
 We need you, they plead.
 Discerning God,
 How do we faithfully respond to these calls?
[moment of silence]
 What would you have us do?
 How would you like us to act?
 Guide us, we pray and lead us towards
 transformative actions.
 Amen.

Did you know April 28 is the National Day of Mourning for workers who have lost their lives:

Prayer for National Mourning

"Almighty God, we come before you in our sorrow to entrust our brothers and sisters into your hands. In this life, you embraced them with your tender love; deliver them now from every evil and bid them eternal rest. Comfort those who mourn today, take away the burden of regret, and guide us, as a nation, toward healing and peace. Amen".

Day of Mourning Tuesday, April 28

No worker should be forced to risk injury, illness, or death because of their job.

BE A STAR & BRING A JAR

During the month of **March** there will be a box at the back of the church for donations of Jars. Perhaps during lent, if you have large collection you might want to "give up" a Jar or two? Or maybe your Lenten practice is to just to give? What exactly are we are looking for?

Jar Specifications: ♦ Jam jar size or smaller
 ♦ Clean and with it's original lid ♦ Jars I would like- is to be decorative- by that I mean- it might be - oddly shaped, have beveled sides, or it may have glass embellishments.

Thanks. **Marlene Robinson.**

Did you know the IG Wealth Management Walk for Alzheimer's is the biggest event in Canada supporting Alzheimer's disease?

Last year, across Canada, we raised more than \$7.2 million - the highest total ever - marking an incredible year in the history of the Walk for Alzheimer's. Funds raised support programs and services in the community they were raised - **but we can't do it without you!**

Or why not sponsor our very own Judy Wilson!? Judy will be taking part in the Walk for Alzheimer's at the Lion's Park in Jarvis. You can find Judy at church on Sundays at 8:00am and Wednesdays at 10:30am. Judy will be at the 10:30am service on Sunday 10, 17 and 24th May too. Alternatively, we can collect donations at the church office.
