WEDNESDAY CHAPEL

We invite you to join us for chapel each Wednesday at 8:15. You can also join us online at <https://www.youtube.com/@trinitylutheranchurchschool1036>. Our 4th quarter chapel offerings will be going to support the LCMS Ministry to the Armed Forces. The Ministry to the Armed Forces is authorized as the mission arm of the LCMS to support and serve military chaplains — active and reserve — their families and the veteran population. It supports all LCMS chaplains who serve on active duty, in the reserves, the National Guard, Civil Air Patrol, and Coast Guard Auxiliary. LCMS chaplains deliver Word and Sacrament ministry to our military personnel and their families.

So far we have collected \$348.53 this quarter. May the Lord bless our giving!

TEACHER FEATURE-MRS. GROTHOFF

For this week's Trinity Teacher Feature, we would like to introduce Mrs. Grothoff, our art teacher here at Trinity. Mrs. Grothoff became an art teacher because art has always been important to her. She enjoyed art classes throughout her years in school and college, and she wanted to share that same love of creativity with her students. One of her favorite parts of teaching art is how many other subjects connect to it. In art class, students explore how colors mix, learn about proportions and scale, and even use math concepts like multiplying or dividing fractions to resize their work. What makes each day enjoyable for Mrs. Grothoff is seeing students take the skills and instructions she teaches and use them

in their own creative ways. Something her students may not know about her is that she loves to read and has a large library at home that she shares with her children. Thank you, Mrs. Grothoff, for being a blessing to Trinity.

TEACHING  LEARNING  CARING  SERVING

HELP THE ZIEGELBEIN FAMILY

Updated 04/24/2026

Teaching, Learning, Caring and Serving is what it is all about at Trinity Lutheran School. We have an opportunity for our families to show some love and kindness to one of our 5th grade teachers and her family.

Adelyn Ziegelbein is currently in the hospital at MU Women's and Children's Hospital in Columbia, Missouri receiving dialysis treatments. The doctors have diagnosed her with a virus and two strains of E. Coli. We have not seen her precious smile in the hallways of Trinity for two weeks. Her Pre-K classmates miss her dearly and want more than anything for her to make a full recovery and be back in school with them.

Sam and Annie are both teachers and missing school to be at the hospital with Addie every day. With that is the expense of driving back and forth to Columbia. The staff and teachers are doing a collection for gift cards for gas, meals and groceries. Grandpa and Grandma Ziegelbein are juggling their schedules to take care of Lydia, Micah and Ezra.

If you and your family would like to help Mrs. Ziegelbein with a cash donation, please send it to the school office by Friday, May 1, 2026. But more importantly, keep this family in your prayers! The road to recovery is bound to be a long process.

Addie was transferred to Children's Mercy in Kansas City Thursday evening. She has some fluid around her heart, so they are doing it preemptively to make sure she has the resources she needs.

Military Appreciation

April is the Month of the Military Child, a time dedicated to honoring the resilience and sacrifice of the over 1.6 million dependent children of U.S. service members. Celebrated throughout April, this observance recognizes the challenges kids face—including frequent moves, school changes, and parent deployments.

Thank you for the service of all of our Military Families in our school. God bless each family for the sacrifices that they make so their loved one can serve in our great country. We are honoring four military families for the next four weeks. Please enjoy reading about our military families.

Ethan Harrison

My uncle is a KC-10 Crew Chief. His main job is to maintain the aircraft, fix the systems, and to ensure safe flights. When he was deployed he was stationed in California and UAE, he stayed in touch with my family through letters and facetime. One thing that helped my Uncle get through the military and his deployment was remembering the Bible verse John 3:16.

--Sawyer, 1st grade

Thank you for your service in the Air Force.

Robert Durbin

Our grandpa was a Logistics Officer in the U.S. Army. He planned and educated transportation in air, sea, land, and rail. Our family stayed in touch with him through letters and phone calls. We sent him pictures and his favorite Bible verse Joshua 24:15.

Our grandpa learned how much he loved us and we learned how much we were blessed to be born in U.S. We are happy and proud that he fought hard for his country.

--Molly and Oliver, Kindergarten and 2nd grade

Thank you for your service in the Army.

Adriana Bravo

Our stepmom is a U.S. Navy veteran. Her job was to provide troops with needed supplies and destroy military supplies that couldn't be used anymore. We kept in touch with her by Facetime or calling. Proverbs 3:5 & 6 reminded her to trust in the Lord with all her heart even without seeing her family. She learned that God was always with her no matter what and that He never fails to keep his people safe.

--Jack and Max Fieseler, 6th and 2nd grades

Thank you for your service in the Navy.

Nathan Smith

My Father is an active Lieutenant Colonel in the United States Army National Guard. He is a serviceman who delivers supplies to units, making sure they have the supplies they need. My father deployed to Kuwait in 2022 for 11 months. We kept in touch with him by sent him care packages and calling him on facetime. My father has plants in his housing unit, which reminded him of the coziness of home, and sunflowers growing outside reminded him of our flower gardens. We are still learning but we can get through any tough times if we focus on loving each other. I feel happy and proud since he will serve our country and fighting to save us from our enemies.

--Kelaya Smith, 2nd grade

Our family is also proud of the service of Uncle Andrew, Uncle Richard, Grandpa Malcom, and a brother Charles for their service in the military.

Thank you for your service in the Army National Guard.
