Tac-Fully Thinking

Love From the heart

May makes me first think of Mother's Day. The term Mother is synonymous with Love. Throughout my entire life, God has blessed me with many jewels, who have mothered me along. To list the names would be a large task and probably a few would be left off. A lot of who I am today is the long-lasting effect of the motherly care I have received from the many who share the love of God with me.

Yes, God created the mother and gave her the task of sharing the fullness of God's love. I Peter 1:22 "Now that you have purified yourselves by obeying the truth, so that you have sincere love for your brothers and sisters, Love One Another Deeply From The Heart." Peter is speaking to the first century Christians who are attempting to follow Jesus as the ultimate model of life. The deep sincere love that flows from the heart.

While Christians have various different doctrines, traditions, and beliefs there is no confusion about the fact that Love Rules. To be Christian we must understand the teachings of Jesus who said, "Love one another as I have loved you" (John 15:12). Mothers are created in the image of God with the deep ability to love from the heart.

Amen and Amen, God we thank and praise you for all those who have deeply loved with a mother's love, even those who may have never birthed a child, yet have exhibited the ultimate love to every child.

Sincerely,
Rev. Tac Coley
