

MARK: THE SERVANT KING
FROM WEARINESS TO WONDER

Mark 6:31-56

April 26, 2026

BIG IDEA: Jesus is enough—if we trust Him.

REST INTERRUPTED BY COMPASSION (vv. 31-34)

Jesus cares about our weariness, but He prioritizes our spiritual need.

True compassion moves toward people, even when it's inconvenient.

INSUFFICIENCY MET BY PROVISION (vv. 35-44)

What we lack is not a problem when placed in Jesus' hands.

Jesus provides more than enough, not just barely enough.

FEAR MET BY HIS PRESENCE (vv. 45-52)

Obedience can still lead into storms.

Peace comes from recognizing Jesus is with us.

NEED MET BY FAITH (vv. 53-56)

Recognizing Jesus should lead to an active faith.

Simple faith in Jesus can bring real transformation.
