COMMON CUP (CHALICE)VS INDIVIDUAL COMMUNION CUPS

At Vestry, the issue of the use of the Common Cup vs individual communion cups was discussed. Many parishes have adopted a hybrid approach with both options being offered. It was determined by Vestry to take this discussion to the congregation to get an idea of their thoughts on this. The cost to buy a tray and individual cups would be about \$150. Someone would have to be responsible for cleaning the cups after the service.

If this is something that concerns you, please let your People’s Warden, Cheryl Kytaychuk, know or email the office.
