

THE WAY

A JOURNEY THROUGH ACTS

Week 3 - Acts 2:1-13

Read Acts 2:1-13 as a group. What is the first thing that stands out to you?

What does verse one reveal in order to set up the rest of the passage?

What is the significance of Passover happening during the Feast of Weeks?

Discuss what you know about the Old Covenant and the New Covenant? What part does Pentecost have in the New Covenant?

Do any of the supernatural things in this passage make you nervous or uncomfortable? How do you read this passage after learning more about the gift of tongues from our spiritual gifts series?

If you were in the crowd on the day of Pentecost, how would you have reacted to hearing the Gospel in your own language?

What is the Holy Spirit calling you to do at this time, and how might the Holy Spirit empower you to do it? Take time to pray together for sensitivity to the Spirit's calling, courage to follow, and for faith that Holy Spirit will empower.

Take time to pray for one another.
