## ANNOUNCEMENTS

Welcome to May! We're kicking off the month with some amazing events at LWTC, including our Women's Small Group and the annual LWCOM picnic. Plus, don't miss our Mother's Day service as we celebrate all the mothers in our community. It's going to be a great month!

## FAITH IN ACTION

Let's recap a wonderful April at LWTC! We celebrated a successful Resurrection Sunday, followed by a beautiful Baptism Service. A huge shout-out to our members who volunteered for our community outreach at Travis Elementary—thank you for serving. Finally, we held our very special Autism Awareness Sunday, where we shared vital safety resources for families in our community. It was a successful and impactful month for our church family.
