Dear Christ Church Cathedral

I hope that you and your family member are fine  
Also I and my family member are fine too. And I proceed  
well with my studies

I would like to inform you that on August 2025  
our school get honour from government leadership who is  
Adolf Nkondy the ministry of education in our country  
After coming the ministry we enjoyed very well we show  
him different talents like dancing, singing, and making  
different practicals. After that our head of school read some  
challenges that face our school like the lack of teachers for  
art subject and the school to be registered to be boarding  
school for ordinary level. In order to help the student who  
live far away from school compound to study well. So now  
we are very happy because the number of teachers for art subject  
is already increased and our school is registered to the boarding  
school for ordinary level.

Also I'm very happy to inform you that at this term  
we done the region examination and the exam nation was not  
tough and not easy but moderate. And I hope I will get  
the good result due to some effort that help us to perform  
well.

I would like to thanks you very much for your  
kindness of helping me and supporting me in my studies.  
Also God bless you and your family members.

Yours sincerely,

Theresia Faustini
