Dear Chris Church Cathedral.

I hope that you and your family members are fine. I with other students are fine too. We are progressing well with our studies.

I would like to tell you about my daily routine. I always wake up at 6:00 am o'clock in the morning. After waking up I pray and make my bed. Then I brush my teeth and take bath, I wear school uniform and take breakfast. I take my school bag and rush to school. After reach to school compound at 7:00 am I do cleanliness to my respective area and there after I go to parade for inspection. Then lessons begins at 8:00 o'clock. After all classes I return back home to help my parents cooking, washing dishes and the like. After take dinner, I study for two (2) hours and then sleep at 4:30 pm. That is how I spend my day.

Also I would like to tell you that form four and form two have completed doing their National examinations this year. Now we are waiting for the results. Also our teachers and school government have different plans that helps us to have good academic performance such as learning through projectors and remedial teaching that helps to improve our academic performance.

Finally, I am praying for God to give you a long life and kind heart in order to support me and other students to achieve their dreams. Almighty God bless you with your family and I wish you merry christmas and happy new year 2026

Yours sincerely,
Lea sadoki.
