## CARE NET

### Pick up a Baby Bottle next to the Information Center

Fill the bottle between **May 10<sup>th</sup> to June 21<sup>st</sup>**, then return it to the Information Center. After June 21, drop your bottle off at the Care Net Pregnancy Center: 1118 – 17<sup>th</sup> Avenue, Monroe or contact the office.

We would like to thank your congregation for participating in our Baby Bottle Campaign. The Care Net Pregnancy Center of Green County is a pro-life, Christian ministry that provides services free of charge to women and families in unexpected pregnancy situations and young families with children. In addition, the ministry offers sexual purity presentations, a post-abortion healing program, and an Earn While You Learn program. Of the abortion-minded clients who visit the Care Net Pregnancy Center of Green County, 95-98% choose life once they learn of their options and the assistance available from the Pregnancy Center. Approximately 200 families receive ongoing assistance from the Pregnancy Center annually.

This is made possible by the generous donations of supporters like you.

Filling a baby bottle with your pocket change, dollar bills or even a check results in as much as \$24,000 annually being contributed to the Care Net Pregnancy Center of Green County. What seems like such a small amount from one individual, adds up to a significant fundraiser for the Center, which in turn results in more families being served and the lives of more babies being saved. The biggest blessing of all is sharing the gospel message with our clients and watching lives change when they come to know Christ. Thank you for making a difference in the lives of our clients, their families, and the eternal Kingdom by filling and returning a baby bottle or donating online at [www.carenetgreencounty.org](http://www.carenetgreencounty.org)
