## ABOUT TODAY'S SERVICE:

Jesus does not abandon his followers. Through the Holy Spirit, Jesus comes to abide with his disciples of every generation. As Pentecost draws near, we are reminded that the risen Christ dwells in us as the Spirit of truth. We receive this Spirit in baptism and pray that in our gathering around the Lord's table the Spirit will transform us to be the body of the risen Christ in the world.

## COMMEMORATIONS IN THE CHURCH:

**Matthias, Apostle**

**Thursday, May 15**

- ◆ Matthias was the apostle added to the Twelve after Jesus' resurrection, as a replacement for the dead Judas Iscariot. He had traveled among the followers of Jesus throughout the Lord's ministry. Formerly commemorated on February 24, Matthias's celebration is moved to May 14 in agreement with most Western calendars.

**Erik, King of Sweden, martyr, died 1160**

**Monday, May 18**

- ◆ Erik is considered the patron saint of Sweden. As king of that nation, he tried to bring peace in the region, and to spread Christianity in Scandinavia. He was also known for his attempts to make fair laws and to protect those who were poor or sick.

**Helena, mother of Constantine, died around 330**

**Thursday, May 21**

- ◆ Influenced by her son to become Christian, Helena (or Helen) lived an exemplary life of faith. She is also remembered for traveling through Palestine building churches on the sites she believed to be associated with Christ's life.

**Nicolaus Copernicus, died 1543; Leonhard Euler, died 1783; scientists**

**Sunday, May 24**

- ◆ These two men were both scientists who helped to explain the wonders of God's universe. Copernicus is best known for promoting the idea that the sun, not the earth, is at the center of our solar system. Euler was one of the founders of pure mathematics, and contributed to many other fields.

**John Calvin, renewer of the church, died 1564**

**Wednesday, May 27**

- ◆ Gifted both as a systematic theologian and as an interpreter of scriptures, Calvin embraced the Reformation, and as a preacher in Geneva, Switzerland, brought a theocratic government to it. He is regarded as the father of the Reformed churches.

**Jiri Tranovský, hymnwriter, died 1637**

**Friday, May 29**

- ◆ Tranovský is considered to be the father of Slovak hymnody as well as an important reformer of the Slavic church. He translated the Augsburg Confession (the basis of Lutheran teachings) and published a collection of Slovak hymns.

**Visit of Mary to Elizabeth**

**Sunday, May 31**

- ◆ This festival marks the occasion when Mary, pregnant with Jesus, visited her cousin Elizabeth who was herself pregnant with John. Elizabeth pronounced Mary "blessed among women," and Mary responded with the song called the Magnificat.
