Athens-Hocking Solid Waste Event Partners:

May is Mental Health Awareness Month

NAMI Athens is the local affiliate of the National Alliance for Mental Health and at their website they describe their mission: "NAMI Athens is a family-based organization with a mission to provide education, advocacy, and support for individuals with mental illness and their families." In December of 2025, they received a grant to establish a Community Resource Center, where families and individuals affected by mental illness can go for free services, including support and referrals to community-based services to meet their needs.

In May, they are also offering a free film series at the Athena Theater:

- May 5 - "Inside Out 2,"
- May 12 - "Marcell the Shell With Shoes On,"
- May 19 - "Roadrunner: A Film About Anthony Bourdain,"
- May 26 - "Eternal Sunshine of the Spotless Mind."

NAMI has other programs and classes and speaker series. Visit the NAMI Athens website at namiathensohio.org for more information.

May is designated Mental Health Awareness Month, and in Athens County two organizations promoting mental health and awareness are NAMI Athens and the Athens Photo Project, both of which had offices off West Union.

Goods for Good Works

Christ Lutheran has been a supporter of Good Works for decades, and our members have helped in many ways. Here is a partial list of items you can donate: Toilet Paper, Paper Towels, Napkins, Coffee, Green Beans, Baked Beans, Tuna, Plastic gloves (to handle food), Zip-lock bags (all sizes), cereal, soups, canned vegetables, jelly, peanut butter, canned fruit, Egg Noodles/Spaghetti Noodles, Diced Tomatoes snacks-nuts, crackers, chips, and granola bars. We have a tote in the Narthex to leave donations that will be delivered to Timothy House. More items to donate and volunteer opportunities are listed on the website at www.good-works.net.

The Athens Photo Project offers opportunities for people with mental health difficulties to create and build healthy relationships through photography. You might have seen exhibitions by some of the artists in the program at the Mall or the Parking Garage wall uptown. Folks participating in the program are provided with cameras and equipment to use on photo projects, with training and guidance from trained photographers. To contact them email info@athensphotoproject.org, or phone them at 740-517-3950.

Dear Faith Family,

As we get closer to our fiscal end-of-year, the budget I share will be more detailed. Our congregation likes to know a lot of the details, which are included. Overall --

Revenue

-- our giving is in line to meet estimates.

-- our Thrive campaign is complete, with \$41,925.76 given by our congregation to support our Southern Ohio Synod in their church growing efforts.

Expenses

-- we transferred \$10,000 from our money market account into our checking account to be able to cover three months' worth of expenses.

-- our facilities expenses are higher than budgeted due to needed repairs.

-- our work in assessing/planning for our student house demo/reno is being covered by dedicated giving.

-- our investments have increased in value by \$11,000 this fiscal year, and we are closely monitoring market conditions.

We have begun our budgeting process for 2026-27. In the next month or so you'll receive an aspirational budget based on our best estimates of expenses to help in your stewardship decisions.

Let me know if you have questions, and have a nice day --

Lucy Juedes, Treasurer

2026 Wave of Prayer 4, April 25

On April 19 and 20, eight people were killed and 14 injured by firearms in three separate mass shootings in the United States and Mexico. Statistics show that death and injury by gun violence is common. In the United States, gun deaths are the leading cause of death in those aged 1 – 17. The number of lives lost to guns in the U.S. in 2023 was over 46,000, including 2,500 young people.

- God, we lament any death, those which make the news and those which don't. We lament the recent deaths and injuries by firearms. We pray for the loved ones of each victim. May awareness of the risks of gun violence increase so that senseless deaths and injuries may decrease. God, in your mercy, hear our prayer.

In the recent war in Iran, more than 400 U.S. military personnel have been injured, many with traumatic brain injuries (TBIs). TBIs are a leading type of injury experienced by those in military service in this century. TBIs are sometimes considered "invisible wounds," which can affect victims physically, cognitively, and emotionally with headaches, dizziness, ringing ears, memory challenges, depression, and sleep disturbances, to name only a few. These effects can last years or a lifetime.

- God, we pray for all people who have had a traumatic brain injury, including those recently injured in Iran. May they receive the treatments and support they need to live fulfilling lives. May their suffering be lessened or alleviated over time. God, in your mercy, hear our prayer.

In 2025, the United States spent 919 billion dollars on national defense. In 2026, the budget surpassed one trillion dollars, marking a 17% increase. A current proposal would raise the budget 42% to 1.5 trillion dollars. While some believe that increased military spending is necessary, many people in the world have barely enough money to survive, and many people are in dire need of humanitarian assistance.

- God, it is difficult to comprehend what a trillion dollars means—with so many zeros. May governments recognize the value of money spent not only on the military but also on humanitarian aid. Jesus said, "Blessed are the peacemakers" and "Love your neighbors." God, we long for peace. We pray that love may conquer all. God, in your mercy, hear our prayer.

After almost 2 ½ years of separation, 11 babies were reunited with their parents in Gaza. Soon after the October 2023 war began, 31 premature babies in Gaza's Al Shifa Hospital were evacuated to hospitals in Rafah (Gaza) and then 28 on to Egypt after Al Shifa Hospital was attacked by Israeli army raids, putting the premature babies' lives at risk. Though 8 died, 11 were returned to Gaza in the end of March.

- God, we celebrate the survival of these babies and this reunion of babies and parents. May they all experience great joy as they get to know each other amidst a yet uncertain future in Gaza. May parents and children throughout the world experience a life of togetherness and love. We thank you, God that good things happen amidst terrible circumstances. We thank you for these and other small signs of hope. Loving God, we are grateful.
