

## Thank You

The After Prom Committee extends our sincere thanks to the church and congregation for your generous support. Your monetary donations, gift cards, small basket items, and the time given by several volunteers made this event both possible and a great success.

Thanks to your generosity, we were able to serve 161 students, providing them with a safe and fun evening. We are truly grateful for your kindness and continued commitment to the students of Mifflin County.

June 14th-18th

Ages 4-completed 8th grade

Dinner at 5:30
