For those of us who are or were blessed by a loving, contented, and God fearing mother, Mother's Day brings happy thoughts and memories; for other families - not so much. In our prayers this day, let's be sure to remember the women and mothers who struggle to love and care for themselves and their families. Let's pray for the women and men who take on the roll of mother and provide the love and nurturing our families need to thrive; who foster the love and knowledge of Jesus. God bless them all!!
