A Message from The Rev. Dr. Jordan Miller-Stubbendick

We know how important it is to greet one another as we enter the sanctuary, and also to prepare our hearts and minds for worship. To honor both of these needs, we are trying something new on **Sunday mornings, beginning on Sunday, May 3**. This idea came up at this month's Worship, Music, and Arts team meeting.

In order to create space for quiet reflection before Sunday worship begins, a chime will ring a few minutes before the prelude starts. This will be a gentle reminder to quiet our hearts and minds, creating space to welcome God's presence in worship.
