

Underserved Deliverance (1 Samuel 29)

Things to think about:

- Leading up to chapter 29, David has aligned himself closely with the Philistines. What subtle compromises led David to this point, and what warnings does this offer us about gradual moral drift?
- Why do you think Achish misjudged David so deeply? What does this teach us about discernment? What are specific ways we can grow in discernment?
- What are specific ways God has worked behind the scenes in your life?
- David is removed from the situation without his deception being uncovered. How does this moment reflect God's mercy, and how should mercy lead us toward repentance rather than complacency?
- Chapter 29 sets the stage for the crisis at Ziklag in chapter 30. How might God use moments of relief or escape to prepare us for deeper trials ahead?

Bequest Gratefully Received

We are very grateful for the recent bequest of \$9,450 received from the Estate of Don Casselman. The gift was designated 60% for Missions, 30% for our General Fund, and 10% for our next White Gift Offering. We are thankful for Don's generosity in remembering his church in his will.

Building a Community in Christlikeness

Welcome to The Tab! A place where we want you to feel like family! We are a congregation made up of people from many backgrounds, seeking to gather for worship, discipleship, equipping, and fellowship! In all things, it is our desire to bring God the glory as we seek to be more like Christ. We'd love for you to join us in that journey.

Missionary of the Week

Tony & Melody Olson
Teach Beyond, Black Forest Academy

May 1-3, BFA celebrated 70 years of
teaching missionary kids. (Olsons for 30+
years.) Parents are thankful for the good
academic and Christian education available,
allowing them to focus on their ministries
without concern for their children's academic and spiritual progress. Pray for
leaders and small groups who meet weekly for prayer. Tony was assigned a
German class, needing some extra teaching. Pray for wisdom and sensitivity
as they conclude the school year, teaching History, Geography, German, and
piano, and for all the end-of-school-year activities. Thankfully, Tony's health
was good this winter. Pray for further healing of Melody's lungs. Pray for their
four children and spouses, scattered around the world. Pray that the drying
company will get their basement floor and walls well-dried after a water leak.

Tonight, Sunday Night Live at 6:30-7:30, Blue Room, features Keith Boody,
PTC Treasurer. Keith will present a topic 'Money: Where We Have Been and
Where We Are Going'—a thoughtful look at finances and our future. Bring
a friend and use the west door, please.
