DISCIPLESHIP
THE STUDY

GRACE
COMMUNITY CHURCH

What does it take to be a true disciple?

Today, many believers express a desire to live as a true disciple of Christ, and yet many feel frustrated and confused by the differing definitions.

RVL Discipleship: The Study, a 4-season video Bible study from acclaimed author and teacher Ray Vander Laan, offers a transformational journey through Scripture. Every lesson immerses you into Scripture's original cultural and historical context, guiding you through the customs, beliefs and activities of everyday life during Christ's time on Earth. As you witness true discipleship in action, you'll experience a deep transformation in your understanding and faith. RVL Discipleship: The Study equips you to boldly live out your beliefs, seeing your life as part of God's unfolding plan and confidently stepping into your role in His work for the world.

Join as we begin this study on May 24th @ 9:00am

Deepen your spiritual growth.

RVL Discipleship equips you with the historical and cultural context you need to move forward confidently in your faith. Building a strong connection with Jesus as He accomplishes God's work gives you a clearer vision of your role in God's plan.

Build practical connections.

RVL Discipleship helps you see how Biblical teaching applies to contemporary life. This understanding equips you to be a modern disciple, embodying God's love as you move through your daily life.

Take action.

Ray Vander Laan's heart-felt passion for spreading God's message is infectious. His example of worshiping God by using his teaching talent encourages you to worship God through your unique gifts, seeing how each of us contributes to His plan and purpose.
