2026 VBS and English Camps

Dear Friends,

Twice a year we make an appeal for help with ministry outreach to children and youth through Project Yucatán for Christ. We are just a few weeks away from the beginning of summer ministry in several churches and villages in Yucatán. This is one of those times in which we need your help.

This year we are ministering to children and young people through two highly effective programs:

VBS Programs

We are collaborating with churches in the heart of the Yucatán Peninsula as we reach boys and girls with the gospel. You can help us provide village churches with resources for the VBS programs.

English Camps

English Camps are an outreach with a focus on teaching children English, a skill set that many young people want for their future. Through English Camps, we not only teach a language but, more importantly, share the Gospel of Christ.

We urgently need funds to accomplish these two ministry activities. Your donation can help the churches in Yucatán achieve their goal.

Donations can be made by sending a check using the coupon on the back of this letter or by using the QR Code to give online.

Will you join us this year as we reach children and youth through these ministries? Your prayers and donations are important.

Sincerely,

Roy and Edi Seals
