

Dear Friend,

Thank you for your continued support and prayers for our church planting and evangelism ministries in hard-to-reach areas in Pakistan and Bangladesh. Because of your partnership, we have been able to plant several new churches: in both Balochistan (Province) and the mountains of KPK (Province). Our team has been reaching out to the Muslims in both Provinces with the gospel. We offer to pray for the unbelievers. Most of these poor people suffer from many needs. Some Muslims are okay with our team praying for them because they respect Jesus as a prophet. We explain a few verses from the Bible with anyone that allows us to pray for them. Many Muslims don't want our team to pray for them. Some Muslims are very hostile. It is impossible to reach these unbelieving Muslims without your fervent prayers of intercession.

Praise

For God's provision for the Bibles and hymn books for the church in Noshra. Pastor Samuel Gill and a team planted a small church in Noshra village area near the mountains a few months ago. Most of the people in the congregation have converted from Hinduism. They did not have any Bibles. Pastor Gill and his new converts are thankful for God's provision for the Bibles and hymn books.

For God's provision for the motorcycles for several church planters in Balochistan (Province) and Sindh (Province). Several church planters were struggling to travel from one place to another place because of the lack of transport. Many of the church planters had to walk several miles with their families to go to the ministry place. We are thankful for God's provision for the motorcycles for our dear brothers.

For a husband and wife that accepted Christ at the Nalkata Church in Panchhair, Bangladesh. Please pray for this brother and sister as they continue to learn the word of God from Pastor Sushil and prepare to be baptized.

Pray

For a church plant in the Pakistani village called Tea Garden. The congregation in this village is very poor. Because of no jobs in the area, they lack water, food, clothing, money and education for their children. Please pray that God will bring businesses to this village that will provide jobs to the church members to help them with their daily lives.

For Brother Gulraiz and the church in Balochistan (Province) as they plan for a door-to-door evangelism outreach. Please pray for their safety. Also, pray that God will use the effort of this small church plant to bring many to His saving knowledge.
