WOMEN'S CONNECT:

Women's Connect will be gathering on Tuesday, May 19th at 6:30pm in the chapel.

Women's Connect is a group of vibrant women who are passionate about their faith, their relationships, and living out the love of God.

On a typical Tuesday evening, there is a study time, prayer time, connection time and almost always a celebration! Come check it out for yourself and find a place where you belong.

MEN'S BREAKFAST:

Men's Breakfast: Health & Faith Edition - 8:30AM Saturday May 30th

Men, we find it awkward to discuss our health - and we want to remove that stigma! We're looking forward to an impactful morning and are pleased to have Dr Harrison Offiong with us to guide a discussion on the stewardship of men's health from a faith perspective. We'll also have a Q&A with Dr Offiong that will help with practical steps men can take towards general well-being and preventative health. Don't miss this great morning to be encouraged, informed and blessed! Please [click here](#) to RSVP.

OPPORTUNITIES:

This is Elise! NRCC has been praying for Elise and her family for a couple of years now. She has finally been diagnosed with POTS Syndrome, which has taken over her life. This journey began 9 years ago. Elise has an opportunity to receive critical treatment at the Keiser Clinic in Michigan. As you would expect this will be very expensive. Her aunt has created a gofundme account to try and help offset the costs that will incur during her treatments and stay in Michigan. If you are able to help financially please [click here](#). If you are unable to help financially, please pray for them that they will receive the funding needed, and please consider sharing the gofundme page with others who may be able to assist. Thank you

We're excited to stack hands with Reta as she helps us live out God's love in Richmond Jamaica this Summer! The Richmond Outreach Community - a group of churches working together to bring God's Kingdom near to people - are running their Summer Camp this year from August 10-14 and here's how we as Nashville Road Community Church get to help!

They are looking for educational supplies like notebooks, colouring books, crayons, pencils, pens, markers etc

As well as Food items like rice, corn beef, tuna, cooking oil, mac n cheese and snacks.

If you can help with any of these items - please bring any contributions to the church building lobby for the next 2 Sundays, as she will be putting a barrel together to send to Richmond at the end of May. Thank you

Here are a few items we can focus on today to help express our faith by joining in praise and prayer.

God's word says:

Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours. Mark 11:24 (ESV)

> Please pray for Samir, he is awaiting back surgery and is in a lot of pain. Samir is the husband of one of our KELC employees Hilda.

> Praise the Lord, Jenny's nanny (Liette) will be moving to the rehabilitation center next Tuesday to receive treatment for her broken shoulder.

> Please pray for Jenny, one of our KCA parents. The cancer in her body has spread significantly. She is weak and in pain. She is undergoing treatments. Please also pray for her husband Marty and their 2 children as they support her during this difficult time.

> Please pray for Terry a father of a KCA student. Praise the Lord, Terry has been showing signs of improvement. He still can't speak or move his body, but he can nod as a response to questions, Pray for his wife and daughter as they journey with him through this very difficult time.

> Let's continue to pray for KCA/KELC staff, students and families. These are ministries of Nashville and we are excited to continue building relationships with KCA and KELC.

> Who do you see and interact with each day that you can pray for? Is there a way you can show them God's love in other practical ways? What will love look like when you live it out?

> Continuing in Prayer

> Continue praying for Amber for healing of her autoimmune condition, and her family as they care for her.

> Continue praying for Adele, as she continues her on going chemo treatments.

> Continue praying for Nicole's daughter Elise, she has been properly diagnosis with Dysautonomia/Pots Syndrome. Also pray for Nicole as she supports and cares for Elise.

> What are some areas of need in your life or in the lives of others that you can bring to God in faith?

It's a privilege to pray for each other. When you have an item for praise or prayer to share with our Nashville Road family - [you can click here to share a praise or prayer request from our church website](#)
