

ALL NATIONS OUTREACH MINISTRY CALVARY BAPTIST CHURCH

"A Church... All Nations"

"Blessings - Bibles - Baptisms"

We have had a wonderful time seeing the **BLESSINGS** of God on the mission field of Africa these past several weeks. Scott Thompson and I have visited 25 churches since late March in Tanzania, Malawi, and now Kenya.

Most of these churches are ones planted in the past three to four years through the national pastors assisted by ANOM and trained by men like Erick Chondo, Alfred Lukwa, and Christopher Matebe. While visiting these churches we have seen hundreds of souls saved either in the services or by showing the Jesus Film near the church property. Just yesterday while preaching in a small church in Kimunu Chebarus, Kenya, a drunkard named Wickloff

saved along with seven others following the sermon given by Scott. Scott has been a blessing to many as we have travelled. His testimony of grace has touched the hearts of many, and he has given time and time again to meet the physical needs of the people as well.

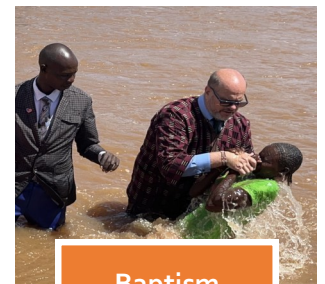

BIBLES are so desperately needed by new believers in Africa and beyond. At a church in Puteya, Malawi where I preached, I asked for a show of hands of the nearly 275 people present of those who had a copy of God's Word. Sadly, only four hands were raised and two were the daughters of the pastor. How tragic that 2,000 years after the resurrection and the completion of the Holy Scriptures men and women in places such as this have never held the Bible in their hands. We have with funds of ANOM along with the generous giving of Scott and his wife Debbie distributed more than **\$4000 worth of BIBLES in the Swahili, Kisii, Luhya, and Chichewa languages.** We averaged giving only

Bibles Given

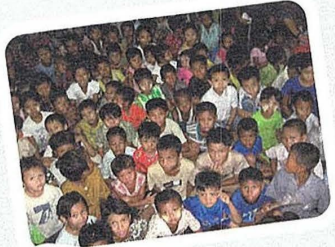

five bibles in most churches. The average attendance found in the past 20 churches we visited was 54 people present. That's one bible we have given for every ten while people leaving the vast majority empty handed. We need your help with more Bibles. God has been gracious in allowing us to raise nearly \$60,000 for our Bible Fund in recent months, however, there is so much more to do.

Believers are commanded to follow Christ in **BAPTISM**. Last Sunday while preaching in the POKOT village of Kapeta where we had seen scores saved that week, we went over two kilometers to the nearby river where I **BAPTIZED 103 new converts.** It was a joyful time with Tuwei Wilson the pastor we support in that region. **BAPTISM** is not a suggestion, but a command. Keep us in prayer. We love you all and thank God for your faithful prayers and support.
